## 2. Safety Precautions

---

### 2.1 Heat and Fire Safety

- **Caution:** Use the **Trailblazer Camping Cookware Set** only with proper adult supervision.
- **Warning:** Do not place the cookware directly on an open flame or expose it to excessive heat.
- **Important:** Always use heat-resistant gloves when handling the cookware during or after cooking.
- **Note:** Keep the cookware away from flammable materials and surfaces while in use.

### 2.2 Sharp Object Safety

- **Caution:** Be careful when handling the sharp edges of the **Trailblazer Camping Cookware Set** lids and utensils.
- **Warning:** Keep the sharp objects away from children and pets to prevent injuries.
- **Important:** Always store the sharp objects in a safe and secure location when not in use.
- **Note:** Use caution when washing the sharp objects to avoid accidental cuts.

### 2.3 Cleaning and Maintenance

- **Caution:** Allow the cookware to cool down before cleaning to avoid burns or injuries.
- **Warning:** Use mild soap and water to clean the **Trailblazer Camping Cookware Set** to prevent damage to the non-stick surfaces.
- **Important:** Do not use abrasive materials or harsh chemicals to clean the cookware as it may cause scratches and reduce its lifespan.
- **Note:** Regularly inspect the cookware for any signs of wear or damage, and discontinue use if any issues are found.

### 2.4 Food Safety

- **Caution:** Ensure that all food is properly cooked and heated to the recommended temperature before consumption.
- **Warning:** Do not use the **Trailblazer Camping Cookware Set** for storing or heating perishable foods for an extended period of time.

- **Important:** Practice proper food handling and storage to prevent foodborne illnesses while using the cookware.
- **Note:** Always clean and sanitize the cookware after each use to maintain food safety standards.

## 2.5 Environmental Safety

- **Caution:** Do not dispose of the **Trailblazer Camping Cookware Set** in the environment as it may cause harm to wildlife and ecosystems.
- **Warning:** Properly dispose of any packaging materials and components according to local regulations and guidelines.
- **Important:** Consider the environmental impact of using disposable fuel canisters and opt for reusable and sustainable fuel sources whenever possible.
- **Note:** Follow Leave No Trace principles and minimize your impact on the environment while cooking outdoors.

## 3. Assembly and Setup

---

### 3.1 Unboxing

When you open the box, you will find the following items in the Trailblazer Camping Cookware Set:

- 1x Large pot (green)
- 1x Small pot (blue)
- 1x Frying pan (red)
- 2x Foldable handles (black)
- 3x Plastic bowls (yellow, orange, and purple)
- 3x Folding sporks (silver)
- 1x Cleaning sponge (white)

### 3.2 Attaching the Handles

To assemble the cookware, simply attach the black foldable handles to the pots and pan by aligning the notches and sliding them into place. Ensure they are securely attached before using the cookware.

### 3.3 Preparing for Use

Before using the pots and pans, clean them thoroughly with the provided sponge and water. Make sure they are completely dry before storing them away.

### 3.4 Storing the Set

When not in use, the Trailblazer Camping Cookware Set can be stored inside the large pot to save space. Place the smaller items inside the pots and secure the foldable handles around the outside to keep everything together.

### 3.5 Setting Up the Cooking Area

When setting up your cooking area, choose a stable and level surface to place the cookware. Ensure the area is clear of any flammable materials and always use caution when cooking with open flame.

## 4. Cooking with the Trailblazer Camping Cookware Set

---

### 4.1: Using the Pots and Pans

The **Trailblazer Camping Cookware Set** includes two pots and one pan, all with heat-resistant handles for easy use. When using the pots and pans, follow these steps:

#### 1. Preparing for Use

- Before using the pots and pans for the first time, wash them with mild soap and water. Dry thoroughly.
- Place the pan on the portable stove, ensuring it is securely positioned on the burner.

#### 2. Cooking with the Pots and Pans

- Add your desired ingredients to the pot or pan.
- Use appropriate heat levels based on the type of food being cooked.
- Stir the ingredients as needed with the provided utensils.

#### 3. Cleaning and Maintenance

- After use, allow the pots and pans to cool before cleaning.
- Wash the pots and pans with mild soap and water. Do not use abrasive cleaners or scrubbers, as they may damage the surface.

### 4.2: Using the Utensils

The **Trailblazer Camping Cookware Set** includes a variety of utensils for outdoor cooking. When using the utensils, follow these steps:

#### 1. Utensil Functions

- The provided spatula and ladle are ideal for stirring and serving meals.
- The included cutting board can be used for food preparation.

#### 2. Maintaining the Utensils

- Clean the utensils after each use with mild soap and water.
- Ensure the utensils are completely dry before storing them in their designated slots within the cookware set.

### 3. Safety Precautions

- Avoid exposing the utensils to open flames or high heat, as this may cause damage.
- Use caution when handling the sharp edge of the cutting board.

## 5. Cleaning and Maintenance

---

### 5.1 Cleaning the Pots and Pans

When cleaning the pots and pans in the Trailblazer Camping Cookware Set, use a gentle sponge and mild soap to avoid scratching the non-stick coating. Rinse thoroughly with clean water and dry completely before storing to prevent rust.

### 5.2 Maintaining the Utensils

The utensils in the Trailblazer Camping Cookware Set are made of durable plastic. To maintain them, wash with soapy water and dry thoroughly after each use. Avoid exposing them to direct sunlight for long periods to prevent damage.

### 5.3 Storing the Cookware Set

To store the Trailblazer Camping Cookware Set, ensure that all components are completely dry to prevent mold and mildew. Store the set in the provided carrying case, making sure that the lids are securely closed to prevent any items from falling out during transportation.

### 5.4 Long-term Maintenance

For long-term maintenance, it is important to periodically check the handles and lids of the pots and pans for any signs of wear or damage. If any parts appear worn or damaged, please contact Adventure Cook's customer service for assistance.

## 6. Troubleshooting

---

### 6.1 Cookware not heating properly

If you find that the Trailblazer Camping Cookware Set is not heating properly, follow these steps to troubleshoot the issue:

1. Check that the stove is properly connected to the fuel source and turned on.
2. Ensure that the pots and pans are placed securely on the stove and that the flame is directly under the bottom of the cookware.
3. Verify that the cookware is not damaged or warped, as this can affect heat distribution.

### 6.2 Uneven heating

In the event of uneven heating, follow these steps to troubleshoot the issue:

1. Make sure that the flame is adjusted to the appropriate level for the size of the cookware.
2. Rotate the cookware regularly to ensure even exposure to the heat source.
3. If using multiple pots or pans, arrange them so that they are not too close or too far from the flame.

### 6.3 Burnt food

If food is consistently getting burnt while using the Trailblazer Camping Cookware Set, consider the following troubleshooting tips:

1. Lower the heat setting on the stove to prevent excessive burning.
2. Stir food frequently to prevent hot spots and ensure even cooking.
3. Use a non-stick cooking spray or oil to prevent food from sticking to the cookware.

### 6.4 Handle or lid issues

If you experience issues with the handles or lids of the cookware, refer to the following troubleshooting steps:

1. If a handle feels loose, tighten the screw located on the underside of the handle using a screwdriver.

2. If a lid does not fit properly, ensure that it is aligned correctly with the corresponding pot or pan, and press down firmly to secure it in place.
3. Avoid using excessive force when handling the cookware to prevent damage to handles and lids.

## **6.5 Rust or corrosion**

If you notice any signs of rust or corrosion on the Trailblazer Camping Cookware Set, take the following troubleshooting steps:

1. Thoroughly clean and dry the affected area using a mild detergent and a non-abrasive sponge.
2. Apply a small amount of cooking oil to the affected area and rub it in using a soft cloth to prevent further corrosion.
3. Store the cookware in a dry environment to prevent moisture buildup and rust formation.

## 7. Warranty Information

---

### 7.1 Limited Warranty

Adventure Cook provides a limited warranty for the Trailblazer Camping Cookware Set. This warranty covers manufacturing defects and faults in materials for a period of 1 year from the date of purchase. The warranty is only valid for the original purchaser with proof of purchase.

### 7.2 Warranty Claims Process

In the event of a warranty claim, customers must contact Adventure Cook Customer Service by email at [warranty@adventurecook.com](mailto:warranty@adventurecook.com). Customers will be required to provide their proof of purchase, a description of the issue, and photographic evidence.

### 7.3 Exclusions

This warranty does not cover damage caused by misuse, neglect, or normal wear and tear. It also does not cover damage caused by exposure to extreme temperatures or harsh chemicals. Additionally, the warranty does not cover any modifications or alterations made to the Trailblazer Camping Cookware Set.

### 7.4 Warranty Claims Assessment

Upon receipt of a warranty claim, Adventure Cook will assess the provided information and may request that the product be returned for further inspection. The customer is responsible for the cost of returning the product to Adventure Cook for assessment.

### 7.5 Warranty Remedies

If the warranty claim is approved, Adventure Cook will, at its discretion, either repair or replace the defective part or product. If a replacement is not available, Adventure Cook may offer a suitable alternative or provide a credit for the original purchase price.

### 7.6 Limitation of Liability

Adventure Cook's liability under this warranty is limited to the repair, replacement, or credit of the defective part or product. Adventure Cook is not liable for any incidental or consequential damages arising from the use of the Trailblazer Camping Cookware Set.

## 7.7 Statutory Rights

This warranty is in addition to any statutory rights that may apply. This warranty does not affect the consumer's statutory rights under applicable national laws governing the sale of consumer goods.
